Dear Valued Customers,

We wish to inform you of a recent update: the racks for our gel-loading tips have been replaced. Please be assured that the new racks maintain the same level of quality you have come to expect from us.

This change affects only the racks; the gel-loading tips themselves remain unchanged in terms of performance and reliability.

Should you have any questions or require further assistance, please do not hesitate to contact us at GenFollower@GenFollower.com.

Thank you for your understanding and continued support.

Best regards,
SHAOXING GENFOLLOWER BIOTECH CO., LTD.
